

## Romeo Inn

Bed and Breakfast

Ashland, Oregon

### Welcome...

The Romeo Inn is an elegant Cape Cod, just eight blocks from the Oregon Shakespeare Festival. Patty and Tony Romeo established the inn in 1982. The current owners, Deana and Don Politis, purchased the inn in 1996.

The inn's four spacious guestrooms and two luxurious suites have king size beds, private baths, air conditioning, plush towels, bathrobes, and telephones. Copies of the current plays for the Oregon Shakespeare Festival's productions (Illuminations) are provided, as well as recommendations for restaurants and activities in the area.

Start your day with early morning coffee followed by a gourmet three-course breakfast. The menu changes daily to incorporate fresh local ingredients. Enjoy cranberry scones, pears with walnut mint sauce and eggs Creole. We are happy to accommodate special dietary needs, with 24-hour notice.

After breakfast, relax in our outdoor Jacuzzi, enjoy a swim in the pool, or explore the inn's gardens. A pine-strung hammock and two garden benches encourage relaxing among the flowered gardens, and a fountain entitled "First Love" completes the English garden atmosphere.

Enjoy delicious, complimentary refreshments throughout the day. A light snack is served in the late afternoon for those returning from the theatre or other adventures.
